

I am writing to express my concern that K-LOVE radio may be taken off the air in certain markets due to action being considered by the FCC. My comments are specifically:

- 1) K-LOVE is important to and serves me and my family in Durham, North Carolina by providing listener supported, positive, Christian music. I listen to it all the time. It is fresh and different from anything else offered over the commercial FM airwaves in this market.
- 2) If K-LOVE were to be replaced in Durham by a LPFM broadcaster there would be NO listener supported christian radio station in this market!! I would miss it terribly as would many others that I know in town.
- 3) The service provided by K-LOVE is in the public interest because it provides a POSITIVE and ENCOURAGING message - quite the alternative to most radio stations on the FM dial. there is NO profanity or sexual innuendo, only encouraging soundbytes plus great music.

In summary, please do not take any action that might cause K-LOVE from being taken off the air!! It is a fantastic resource to hundreds of thousands across the country and many thousands in this Raleigh-Durham-Chapel Hill triad.

Sincerely,
Steve Garrett
